The navigation menu includes "Training", "Resources", "Types of Support", and "About". There are also buttons for "Search", "Contact us", "Browse courses", and "My Dashboard". The "My Dashboard" button is highlighted with a green border and a green arrow points to it from the right. Below the navigation is a large banner with the text "Dementia Training Australia" and "Improving the health and wellbeing of people living with dementia and the staff who support them." Below the banner is a filter section with three dropdown menus: "For Myself", "I need Courses", and "I work in All Care Settings". A "Get started" button is located to the right of these filters.
